

I'm interested... what's next?

Opportunities to Pilot or Partner

Whether you're ready to partner or just want to give PEER Physics a try, we have a pathway for you!

I'd like to try it out...

One Chapter Trial

Join the Supported Trial

Try the Waves chapter:

- expert-led virtual kick-off meeting
- personalized ongoing support
- optional graduate credit activities.

Year Long Pilot

Pilot for the Year

The Year-Long Pilot is designed for a few teachers in a district considering PEER Physics for adoption. The Pilot is all-inclusive for one year.

I'm all in...

Solo or Small Group

Join the Teacher Cohort

Cohort Teachers engage in the PEER Physics professional learning community and receive all needed teacher and student-facing curricular materials.
